## TAKE-DOWN-A-THON

*Noun 1. takedown - (amateur wrestling) being brought to the mat from a standing position; "a takedown counts two points"*

The MHS Wrestling Booster Club is asking you to become a sponsor of one of our wrestlers by pledging **50 cents** for every takedown that they score during the season. The final official tally will be made public at our Awards Banquet at the end of the season and sponsors will be notified via mail or email.

The money will be used by the MHS Wrestling Booster Club to purchase items for our team's growing numbers. Our top 5 earners for last season were: Raymond Dungee, Darren Rabinowitz, Patrick Murphy, Darren Dungee and Des Townes. In total our wrestlers earned over \$700. for the Booster Club.

Thank you for your support!
